Notable Events of August 2013

KK13002311 VEHR and KK13002329 VPROWL actually occurred in unincorporated areas – not Gold Bar.

Vehicle prowls and misdemeanor theft are increasing. The reports I've reviewed involved primarily unsecured vehicles and property. Squatting, vandalism and theft were also up at unoccupied residential properties, generally foreclosures.

There is still no suspect information regarding the burning of the flag at city hall. The second incident was August 15th. These incidents occurred in Gold Bar around the same timeframe as several sabotage incidents at the drilling/testing site for the proposed dam at Sunset Falls. One person was identified trespassing and stealing at that site but no evidence exists to connect him to the arson and/or sabotage incidents.

A few properties in town, most unoccupied foreclosures, have become a nuisance due to squatters, weed growth and garbage. More are expected as foreclosures and evictions continue. We are working with lending institutions that own foreclosed properties to attempt to gain compliance.

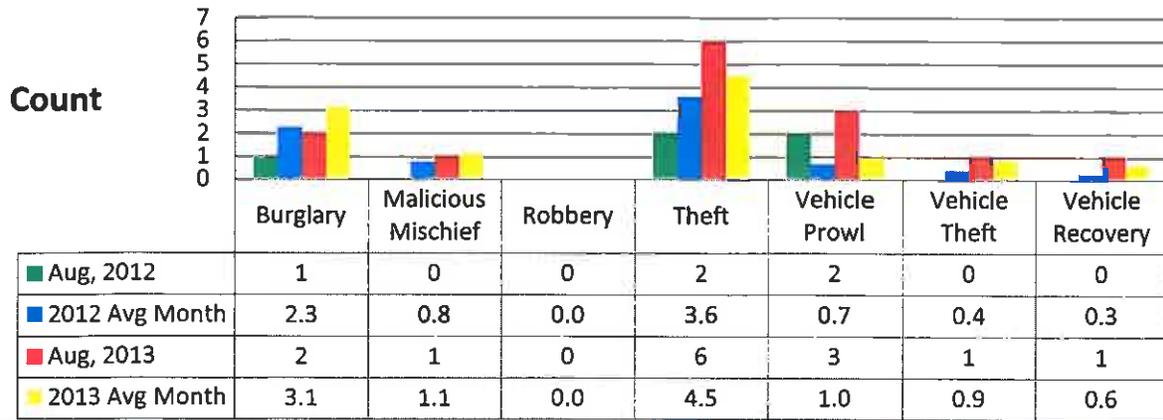

Issues with unlicensed and unconfined dogs continue to arise. We are working with city staff to address these complaints with enforcement action.

Traffic complaints along 1st Street and May Creek Rd continue. Most of the motorists are generally compliant but there are isolated incidents where routine radar enforcement has not yet been effective. We are working to identify the violator(s) and address the issue at their doorstep.
