## INSTRUCTIONS FOR OBTAINING PROPERTY OWNERSHIP WITHIN 300 FOOT RADIUS

To obtain names and addresses of property owners within 300 feet of the boundary of the subject property, the applicant must take the following steps:

1. Request mailing labels from a title agency for all property owners within 300 foot radius of subject property. (Usually there's a small fee for this service)

**OR**

1. Go to the Snohomish County Administration Building, 3000 Rockefeller, and Everett, Washington. (3<sup>rd</sup> Floor)
2. Locate your parcel on a copy of the Assessors section map.
3. Using the Assessor's section map, make a list of account numbers for each property within 300 feet radius and include mailing labels.
4. Present list to counter staff. The staff will assist you by providing the Assessors tax rolls to copy. The tax rolls are listed by numerical order of tax account numbers.
5. Provide the city with mailing labels for each individual property owner within 300 foot radius.

The tax roll will list the tax account number, taxpayer of record, assessed value, legal description and number of acres if account is acreage account. Platted accounts will not list acres in all cases. The taxpayer of record is quite often a mortgage company. The address listed will be the address of the mortgage company. If the sites address is required, the Assessors Filed Books will have to be pulled also.
