Notable Events of February 2015

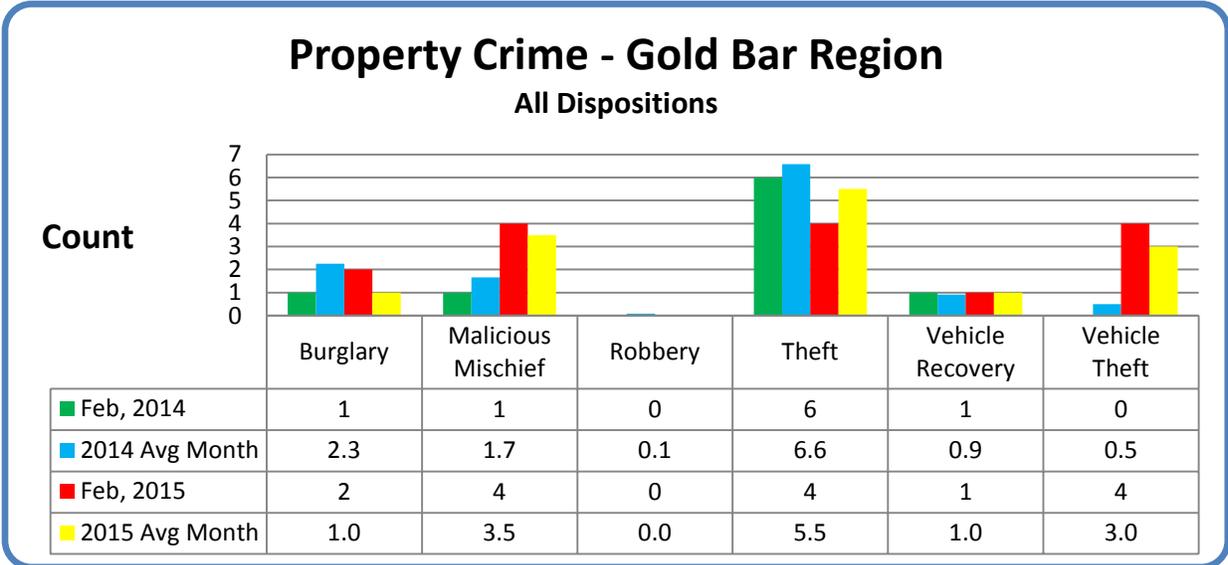

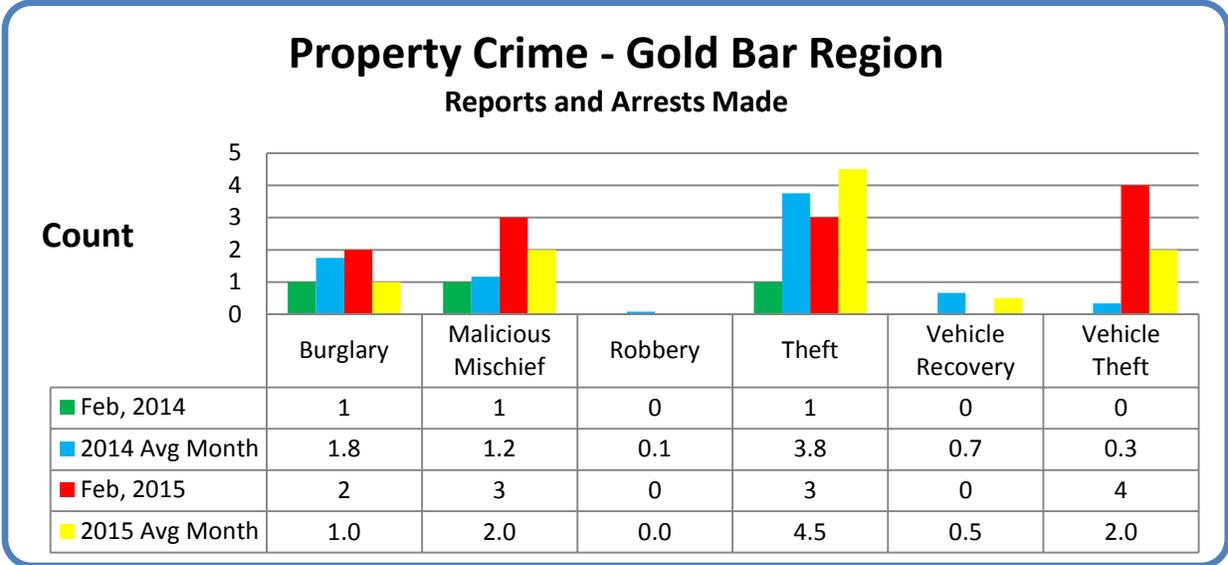

Gold Bar

- Drugs – Deputies responded to a suspicious circumstances report on Evergreen Way and were contacted by a male who exhibited effects of a stimulant or hallucinatory drug, followed by loss of consciousness due to apparent overdose on an opiate such as heroin. Naloxone, administered by aid/medical personnel, revived the subject.
- Drugs – A deputy contacted a Gold Bar resident, exhibiting effects of opiate abuse, along an unincorporated county road and discovered a second male with him, unconscious with no pulse and not breathing. The deputy administered CPR until aid personnel arrived, administered Naloxone, and revived the subject. As many as 100 Snohomish County Deputies are scheduled to be trained and equipped with Naloxone beginning later this year, eliminating the need to wait for aid personnel and increasing the odds of saving lives.
- Vehicle Theft – Four vehicle thefts were reported within Gold Bar with more occurring outside of town. Three vehicles were stolen, with one vehicle stolen a second time just days after it was recovered. One vehicle was recovered on Evergreen Place and another at the Stevens Pass Motel.
- Nuisance codes – The Snohomish Regional Drug and Gang Task Force has offered training and assistance to Sultan and Gold Bar Region deputies to enforce RCW 9.66.010 relating to public nuisance at locations where people congregate for the manufacture, distribution, purchase and/or use of illegal drugs.
- Activity Log (incidents document by report within Gold Bar): 18 traffic tickets, 1 drug overdose, 1 burglary, 1 disturbance of the peace, 4 vehicle thefts, 2 vandalisms, 1 assault, 2 thefts, 1 fraud - counterfeit money, 1 warrant arrest.

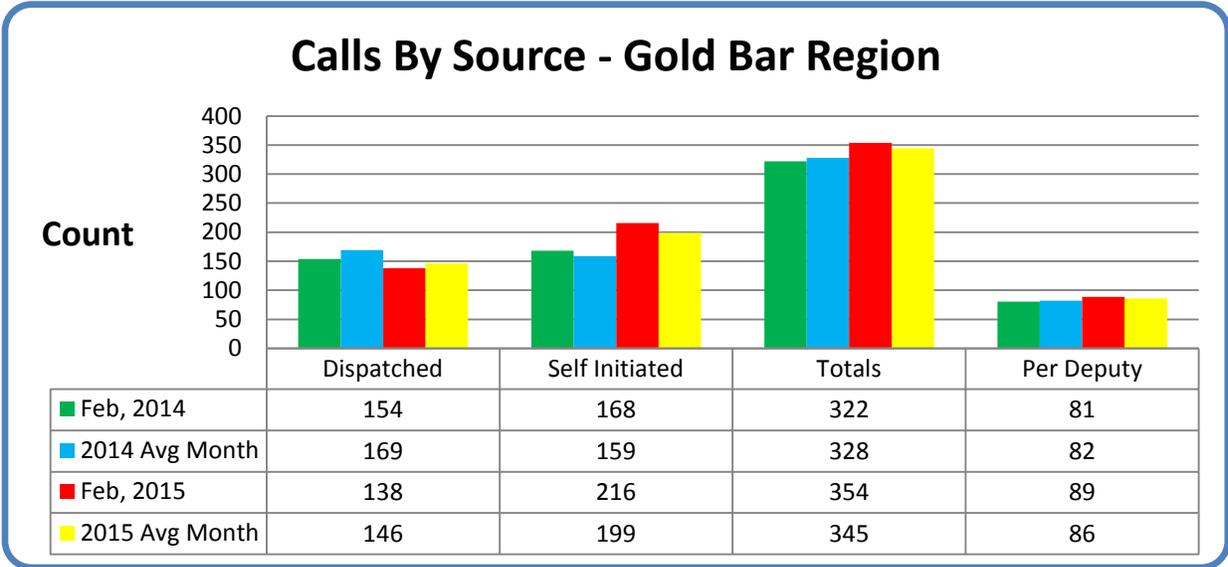

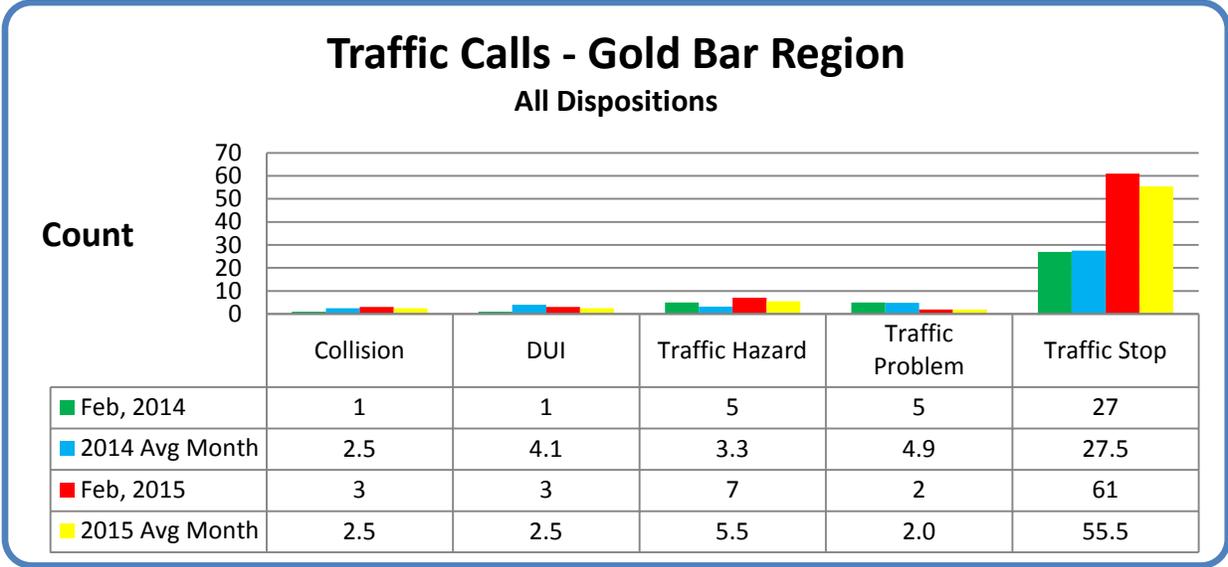

Index

- Firewood theft – Reports of evidence of theft of timber products for firewood have been noted along Reiter Road and Index-Galena Road outside of town. Though persons of interest for wood theft in other locations are under scrutiny, no person(s) of interest are identified relating to the Index area wood theft.
 - Despite increased use of the climbing wall, no significant occurrence of theft from vehicles was reported at the climbing wall parking lot.
 - One DUI was reported but the driver was gone when the deputy arrived. One theft was reported using the online reporting system.
- Note: The numbers above do not always match the numbers shown in the charts on the following pages, in part because the statistics below are pulled from dispatch records which do not always accurately reflect the final type for the service call. A deputy may respond to a suspicious circumstance and later change the type to theft, for example.

The following charts and tables compare calls for service in the reporting months to the same months in the previous year and provide a monthly average (Typical Month) in each category. Data displayed is for all dispatch groups provided service by the Gold Bar Region (KK) and Index (RR) police agencies. All statistics may be viewed at Gold Bar City Hall.

Traffic Stop Numbers reflect all traffic stops made by Gold Bar Region deputies, regardless of location. Approximately 60% of the 61 traffic stops were for violations occurring in Gold Bar.

Notes: Dispatched: SNOPAC or Citizen generated – dispatched calls for service
 Self Initiated: Calls initiated by deputy
 Per Deputy: Total divided by number of assigned personnel (4 deputies)
