City of Gold Bar In Partnership With Snohomish County Sheriff's Office

Mayor Linda Loen

Notable Events of April 2015

- Deputy Saint-Denis has been reassigned to the training unit for the Sheriff's Office. He is a professional trainer with years of experience as an instructor for law enforcement professionals, public speakers and professional and amateur sportsmen. Deputy Ron Doersch takes his place beginning Thursday, May 7th. Deputy Doersch was a Snohomish County deputy prosecuting attorney for nearly 30 years before joining the Sheriff's Office several years ago. He brings considerable expertise in criminal law, police tactics, and training.
- The Snohomish County Health Department began issuing Naloxone (Narcan) to Law Enforcement Officers. Several of the Gold Bar Region Deputies are now carrying this life-saving medication to treat persons who have overdosed on opioids such as Heroin, Oxycodone or Fentanyl. This is a fast-acting nasal spray that temporarily reverses the effect of opioids on the central nervous system and lasts long enough to get a person into the care of medical professionals.

Index

- No notable case reports.

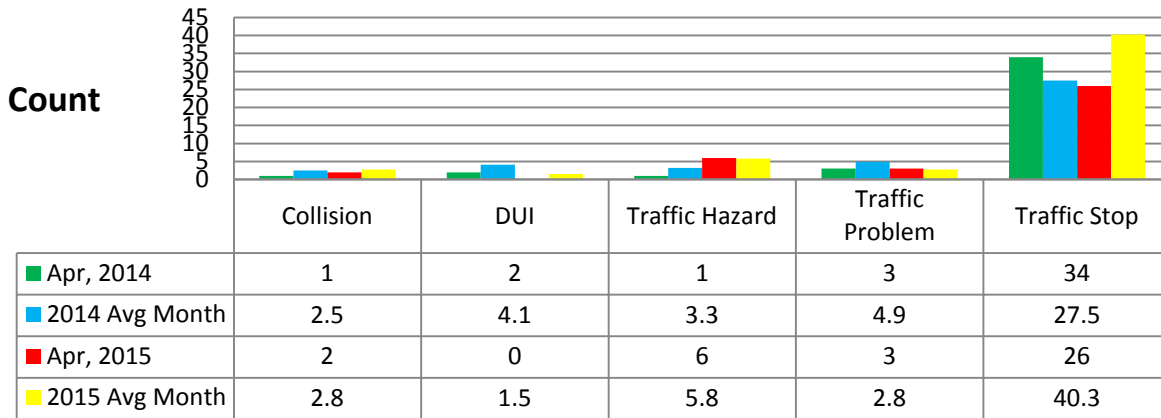

- Note: The numbers above do not always match the numbers shown in the charts on the following pages, in part because the statistics below are pulled from dispatch records which do not always accurately reflect the final type for the service call. A deputy may respond to a suspicious circumstance and later change the type to theft, for example.

The following charts and tables compare calls for service in the reporting months to the same months in the previous year and provide a monthly average (Typical Month) in each category. Data displayed is for all dispatch groups provided service by the Gold Bar Region (KK) and Index (RR) police agencies. All statistics may be viewed at Gold Bar City Hall.
