

City of Gold Bar In Partnership With Snohomish County Sheriff's Office

Sheriff Ty Trenary

Mayor Linda Loen

Notable Events of November 2015

- Found remains: A logger found partial remains of a female subject on private timber land about six miles up from US 2 off of FS Road 62. The remains were identified as a missing woman last seen in 2006 in Ferndale WA.
- SCSO will be mailing notification letters to Gold Bar area residents about three registered sex offenders who have submitted a change of address to the office.

Gold Bar

- Assault: A Gold Bar man was on the undeveloped property behind the Blueberry Farm where transients recently vacated their tents. He was assaulted by another Gold Bar area male, who is transient, and received serious injuries to his face/head when he was clubbed with a blunt object.
- There have been additional burglaries in and near town. One, in town, has some similarity to previous burglaries in Gold bar. We continue to wait for results from the state crime lab for one of these prior cases.
-

Index

- Other than wind-storms and flooding, no serious incidents noted.

➤ Note:

The following charts are derived from our new dispatch and reporting system, NWS. Our users at dispatch, records, and in the field are still working to master the procedures and we have identified areas within this new system that need to be fixed by the vendor. These numbers should be considered approximations at this time. A very small number of incidents were accidentally duplicated, and some do not show up at all due to ORI assignment errors. Index security check numbers are significantly lower than actual due to address verification errors. Numbers shown for Gold Bar generally reflect all incidents handled by assigned Gold Bar Region units, regardless of whether in Gold Bar, as well as generally all incidents occurring within Gold Bar regardless of the assigned unit if the address was verified within the system. (NWS = New World Systems)
