Notable Events of December 2015

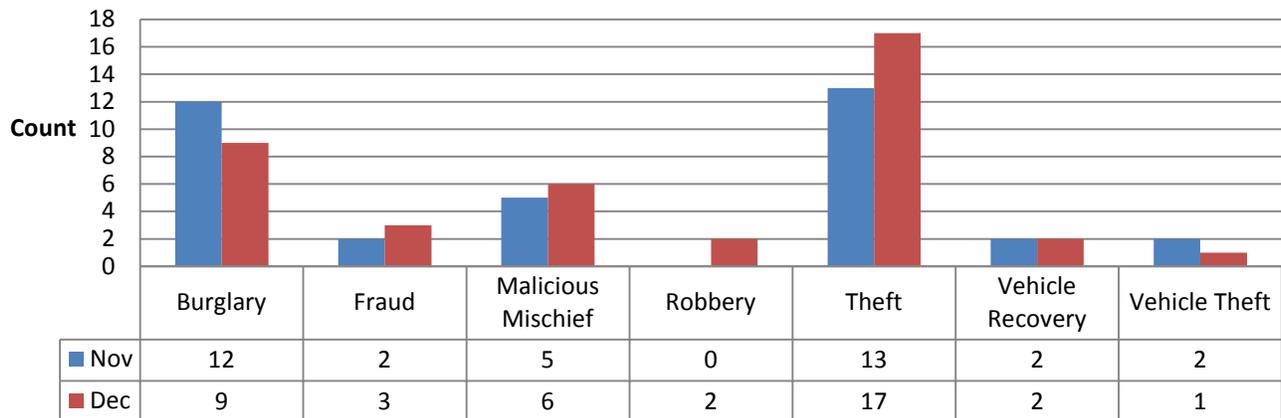

- I noticed an apparent spike in theft related crime in and around Gold Bar, but it appears to be generally in line with similar spikes in other parts of the county. In Gold Bar, a burglary M.O. has come up where the property is secured by the burglar upon leaving, and determination of entry point and method is more difficult. Deputy Griner was able to return to the scene on one and find small indentations caused by prying at the point of entry. We suspect a single person may be responsible for these, but will not rule out considering the possibility of more than one offender.
- Commander Slack from the drug taskforce has been visiting multiple sites with us near Sultan, Gold Bar and Index for several months. These sites, though not inside Gold Bar, contribute to crime in Gold Bar. From one, off of Dorman Rd, several truckloads of garbage and several derelict vehicles and trailers were removed from the property. Several residents, living in various RVs and shelters on the lot were evicted.

The following tables and charts compare incident types of service as reported for the Gold Bar Regional contract. This contract has an Originating Agency Identifier (ORI) of WA0311000.
