## *City of Gold Bar In Partnership With Snohomish County Sheriff's Office*

**Sheriff Ty Trenary**

**Mayor Linda Loen**

### ***Notable Events of January 2016***

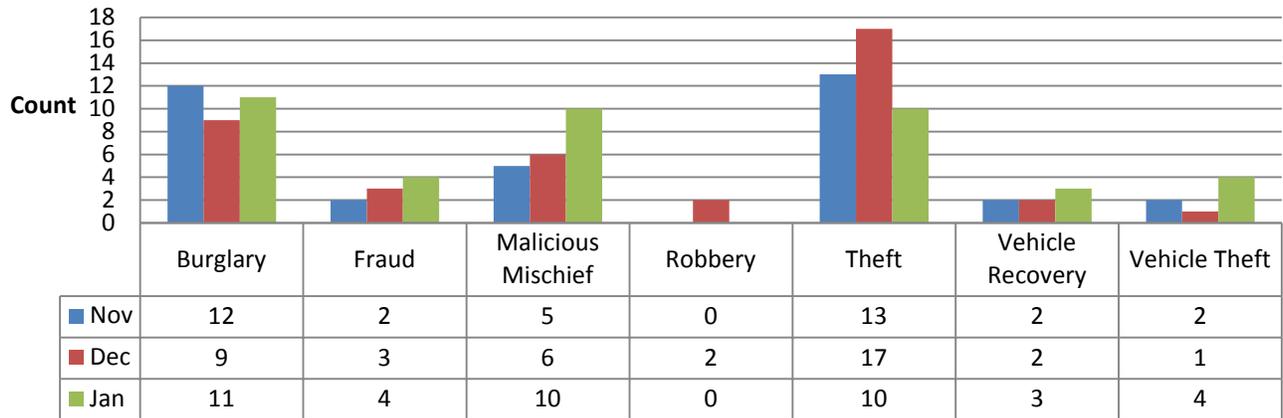

- Vehicle Prowl – Suspect arrested: A man reported his vehicle prowled on Verlinda Drive and two cellular phones were stolen. 2 days later, a security application on one of the phones was activated and the man traced his phones to an address on Linda Ave where deputies recovered both cell phones and arrested a suspect. He plead guilty to gross-misdemeanor charges and spent about 11 days in jail.
- Deputies are working on a few additional property crimes, including at least two January burglaries, where the M.O. is suggestive of a known male suspect.
- A suspect was identified from fingerprints left at the scene of a man responsible for two burglaries at the Post Office in late 2014. Video from a third Post Office burglary does not show the actual crime but shows the same man in the Post Office during the timeframe of the burglary.
- The Snohomish Regional Drug and Gang Taskforce has been assisting Gold Bar Region deputies in cleaning up a group of properties in the area. These locations were selected based upon criteria that included suspected drug violations, building and land use code violations, landlord tenant violations, health and septic violations, solid waste violations and more which, when combined, placed the properties into a public nuisance category as defined by RCW. Their assistance helped us to clean up a nuisance property off Dorman Road which was impacting crime rates and nuisance violations in Gold Bar. As a result, the traffic of drug and property crime offenders through Gold Bar, to and from the subject property, has been significantly reduced.

The following tables and charts compare incident types of service as reported for the Gold Bar Regional contract. This contract has an Originating Agency Identifier (ORI) of WA0311000.
