

SULTAN LIBRARY MAY EVENTS 2016

Children & Families

LEGO® Club: Event Type: STEM (Science-Tech-Engineering-Math)

Come and build to your heart's content using LEGO®, Roylco Straws, K'NEX and more! This program promotes discovery and self-directed learning.

Age Group(s): School-Age 6 - 11

Saturday, May 7

2-3:30pm

Tweens & Teens

TWEEN STEAM CLUB:

Grinnin Fish presents a new line up of fun, interactive classes, designed to help tweens experience science first hand! Join other tweens (9-13 or in 4th-8th grade) for after school workshops. Each series has four 1.5 hour sessions with different activities each time. Attendance at all four is not required, but is recommended. Space is limited, so please be sure to register!

Fridays, 3 – 4:30 pm

May 13 - CHEMISTRY

May 27 – PHYSICS (Presented at the Boys & Girls Club of Sultan located at 705 1st Street.)

STOP-MOTION MOVIE MAKING Stop-motion animation is a time lapse technique that physically manipulates the object that appears to move on their own. Come plan and shoot your own LEGO® stop-motion movie at the library. Space is limited and will be filled on a first-come, first-serve basis. **Age 9-13.**

Wednesday, May 18

4 – 5:30 pm

All Ages

DROP-IN JOB HELP

The WorkSource Team help you with answers to your job search, résumé, career coaching and other questions you may have concerning getting back to work, finding a better job or advancing your career. Drop in and see a WorkSource specialist right here.

Wednesdays, May 4 – 25

2 – 4 pm

WALK-IN TECH Need some tech help? Walk right in! Get free, hands-on help and answers to your tech questions.

Thursdays, May 5 – 26

11 am

BOOK SALE AND BAKE SALE!

Come browse a room full of gently used books and munch on some yummy bake sale treats! Lots of bargains and hidden treasures. Proceeds help fund library programs, new furnishings, and lots more! The Friends appreciate the continued support of Sultan Mini Storage and McDonald's Books of Redmond.

Saturday, May 21

8:30 am – 5 pm

Adults

INTRODUCTION TO MICROSOFT EXCEL 2013

Develop your digital literacy skills by learning the basics of Microsoft Excel. In this hands-on class you'll learn to create and save a spreadsheet, print, and utilize other useful commands. This class is intended for computer users with basic keyboard and mouse skills.

Tuesday, May 31

9:30 am

FRIENDS OF THE LIBRARY MEETING

Come join with other community members to enhance your local library through a variety of fund-raisers, including book sales, bake sales, and more!

Thursday, May 12

9:30 – 11 am
