After review of the application and proposed event, city staff may determine that special events insurance is required. This determination will be made based on risk management review and recommendations by the Association of Washington Cities. If it is determined that insurance is required, city staff will provide resources for obtaining this insurance, at the applicant's expense.

The undersigned agrees to release, indemnify, and hold harmless the city from and against any and all injury or damage as a result of the activity.

The undersigned agrees to ensure that city parks and public property utilized for this event shall be in the same condition after the special event or activity, as before the said event or activity. Litter, debris, and personal items resulting from the event or activity will be removed within four (4) hours of termination of the event. The applicant shall be responsible for replacing, or at the city's discretion, funding the city's replacement of, any and all park property or facilities

damaged or unlawfully removed from the utilized space during the course of the special event or activity.
