- The owner of the electric vehicle charging stations near the Mann Station reported one of the machines vandalized over this last weekend. The other two machines were vandalized in the same manner on or about Halloween last year. We have no leads at this time.
- Burglaries have spiked east of Gold Bar in Big Bend, Mount Index Riversites and along US 2. Property from one burglary was found in a RV at a residence in Gold Bar and property from another was found in a Gold Bar area resident's car in Sultan. We are actively working these cases.
- A Gold Bar teen saw a man riding his stolen bicycle north out of town from 1st Street. He and his friends saw the man go to a residence on 399th, then went home and told parents who called 911. The bicycle was recovered. The suspect, who initially denied having it, later admitted that he had been in possession of the stolen bicycle and that he knew it was likely stolen.
