Regional

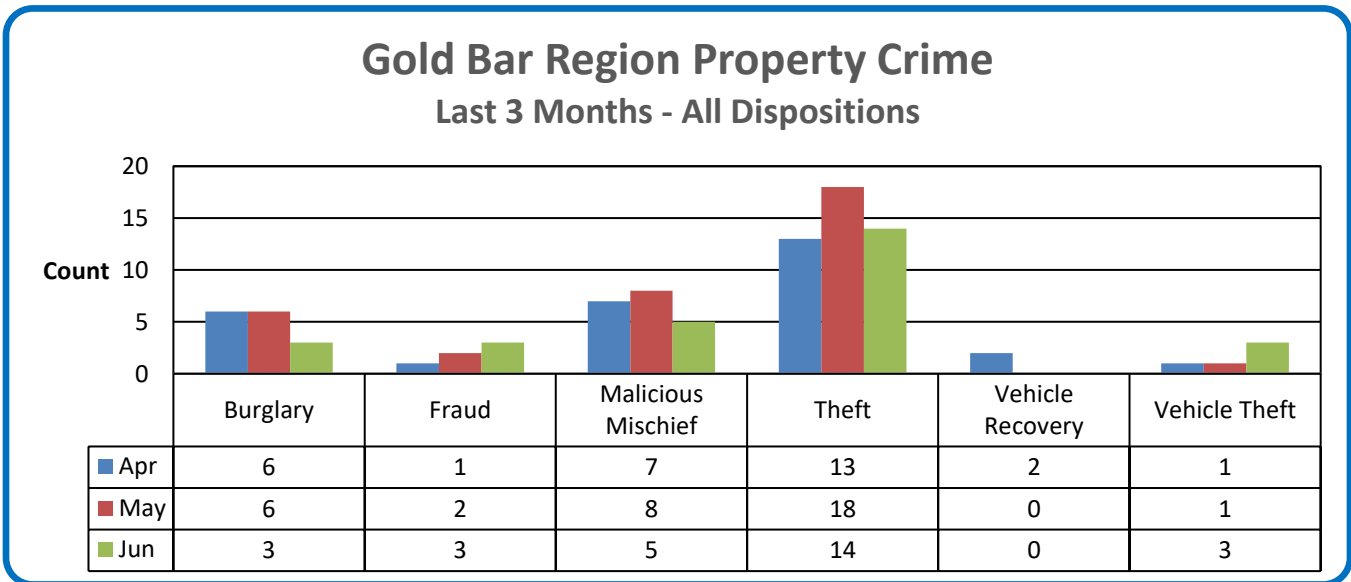

- River Dangers: Area streams, including the Skykomish River, are running higher and much colder than average for this time of year. In June we lost 2 men in the Skykomish River at Big Eddy. Please use caution and wear a personal floatation device at a minimum when recreating on the river.
- Vehicle Prowls: We've had several vehicle prowls at trail heads and recreation spots this year. In our region, Heybrook Ridge Lookout Trailhead, Barclay Lake Trailhead and bouldering areas along Reiter Road have been hit multiple times. Before you leave home, make sure any valuables you don't intend to carry with you are removed from your car.
