Patti-Jo Farr  
Project Manager/RFA Coordinator  
Department of Health  
Office of Healthy and Safe Communities  
111 Israel Road SE  
Tumwater, WA 98501

Dear Ms. Farr:

The City of Gold Bar supports the Snohomish Health District in their proposal to the Washington State Department of Health for LSPAN grant funding that supports and promotes physical activity and nutrition in Snohomish County.

We believe this grant will provide funding that allows the Health District to meet its goals in the community and encourage you to approve their application.

Sincerely,

A handwritten signature in blue ink that reads "John Light". The signature is written in a cursive, slightly slanted style.

John Light  
Public Works Director  
City of Gold Bar
