

## City of Gold Bar, Washington Determination of Nonsignificance

**Description of Proposal:** The City of Gold Bar proposes to amend its Shoreline Master Program (SMP) to ensure consistency with updated state laws and rules per the periodic review requirements of the Shoreline Management Act. The SMP sets forth policies, regulations and procedures regarding uses and activities within the city limits for those areas within shoreline jurisdiction.

**Proponent:** City of Gold Bar

**Location:** Citywide, with a focus on shoreline jurisdiction areas of Gold Bar, Snohomish County, WA

**Lead Agency:** City of Gold Bar

*Consistent with WAC 173-26-186(8)(b), which requires that this program includes policies and regulations designed to achieve no net loss of ecological functions, the City of Gold Bar has determined that the amended Shoreline Master Program does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.*
