## DISTRICT 26 COMMUNITY WILDFIRE

### OPEN HOUSE

Fire District 26 is developing its first Community Wildfire Protection Plan (CWPP) to strengthen the foundation of collaboration and cooperation in wildfire prevention, mitigation, resilience, and response. The CWPP identifies shared community values at risk from wildfire and outlines actions community members can take to become more resilient to the growing wildfire threat. Join us at an open house to learn about and review:

- ◆ The draft CWPP
- ◆ Maps of wildfire hazards
- ◆ Strategies to develop and maintain wildfire resistant landscapes
- ◆ Wildfire response resources including District 26's brush trucks
