Notable Events of February 2019

Gold Bar

- Gold Bar Case Summary: 2 Assault, 1 Collision, 1 Robbery 1st Degree, 2 Burglary, 1 Malicious Mischief, 1 Mental Health, 1 Suspicious Circumstance, 1 Domestic Disturbance, 1 Traffic Offense, 1 Attempt to Elude Police Vehicle, 1 Warrant Arrest, 1 Vehicle Theft, 1 Vehicle Recovery.
- Emphasis Patrol: Deputies conducted a planned emphasis in Gold Bar to address crime, drugs and traffic safety in and around Gold Bar. The drug task force assisted, as well as SCSO K-9. We made several traffic stops for infractions such as running stop signs. We identified persons of interest during the planning and, based on this, actually stopped one Gold Bar man the day before the emphasis, netting significant quantity of drugs and cash. We've asked the prosecutor to charge him with possession with intent to deliver (drug dealing). During the emphasis we stopped one man for criminal traffic and applied a drug dog sniff to the outside of the car. The dog indicated on the car and it was seized for a search warrant for drugs, netting suspected Heroin. A man who has previously fled from police on an ATV fled from us during the emphasis. Not wishing to engage in a pursuit which can pose significant risk to the community, we asked the task force undercover units to follow and observe until he was off the vehicle, then apprehended him within seconds using the K-9 unit.

- On 06-11 deputies responded to a report of a man down, CPR in progress, at 9th and Croft. A man from the South Fork died at the scene after witnesses saw him collapse in his vehicle and rendered CPR. The cause of death is under investigation by the Medical Examiner's Office.
- School District Personnel reported on 06-26 that a man broke into a portable classroom the night before and attempted to steal a laptop computer. The alarm was tripped at the school on 06-25 and a custodian was dispatched to check the building. When he arrived he confronted a man exiting the building with one of the school's laptop computers. He retrieved the computer and the suspect left on foot. Police were not notified until staff discovered the next day that the incident was captured on video. A Gold Bar man was identified and arrested for Burglary.
- On 06-30 a neighbor saw a man burglarizing a garage on 19th Street and alerted the homeowner. The incident was captured on video and deputies immediately recognized the man as a frequent contact. After reporting the incident, the home owner and witness spotted the same man and followed him, calling 911. The man, seeing he was being followed, ducked into a local diner and fled out the back. An Everett K-9 attempted to track the suspect but while chasing through a back yard on 9th St, the dog fell into an open and overflowing septic tank, ending the track. Deputies, responding to tips from neighbors, arrested the man the next day near his home on 9th Street.

Notable Events of July 2019

- Gold Bar Case Reports: 1 burglary, 1 assist to other police agency, 1 drug arrest, 3 assault, 1 DUI, 2 warrant arrest, 1 runaway, 1 adult missing person, 6 disturbance, 1 trespass, 1 theft.
- July 4th: I covered Gold Bar until midnight. I gave out a couple of warnings for very small items such as sparklers and the area deputy gave out at least one warning for small items. We received one complaint of fireworks in Creekside where the complainant's dog was so frightened it climbed into a top-load dryer and was stuck between the agitator and tub. After freeing the dog, we ticketed a violator nearby.
- Missing Gold Bar man confirmed deceased: a DNA extract from bone tissue found in the river last year has been positively identified as that of Daniel Cleveland, a Gold Bar man reported missing in 2017.

Notable Events of November 2019

- November Gold Bar Reports: 1 Garbage Dumping, 3 Warrant Arrest, 1 Fraud, 1 Disturbance, 1 Collision, 1 DUI Collision, 1 Death, 1 Threat, 1 Trespass, 1 Suspicious. Domestic Relationship involved Incidents: 1 Assault, 2 Disturbance, 1 Malicious Mischief.
- Gold Bar units assisted with 2 serious Car vs. Pedestrian collisions on SR 2. These were incidents where the pedestrian unexpectedly entered the roadway in traffic. A male was struck and killed near Sultan Basin Rd in Sultan and a male was critically injured, current status unknown, near Fern Bluff Crossing west of Sultan.
- Deputy Doersch is temporarily reassigned to our personnel and development division. He is expected to return to our team approximately June 1st. Deputy Brown has been selected for a specialty position and will be leaving the Gold Bar team February 1st. I have advertised the opening and expect to make a selection late December or early January.
- Safety Tip: Check your vehicle tires for excessive tread wear. Although the State Law may allow most passenger car tires to remain in service down to just 2/32 of an inch of tread, a vehicle can hydroplane dangerously out of control at 50 MPH with more than twice that much tread remaining. Be sure your tires are adequate for winter driving conditions. If your tires have wear indicators (wear bars), State Law may require that they be replaced when worn to the indicator bars even when remaining tread depth exceeds 2/32 of an inch.

- On December 10th, School Resource Deputy Hess investigated a burglary of a mobile classroom at the Elementary School. Within 2 hours, both suspects were identified. The male and female suspects were booked into Snohomish County Jail on December 11th and December 12th respectively. Two of the stolen iPads were recovered during the arrest of the male.

- On December 18th, Chief Casey investigated a vehicle prowl at the Elementary School where two suspects arrived in a Kia sedan and stole a purse from a vehicle; then when shopping with the victim's bank card at Fred Meyer in Monroe. Thanks to assistance from Fred Meyer loss prevention and Seattle PD, a known gang member from south King County his known girlfriend have been identified as persons of interest. This investigation is ongoing.

- Time for Transfers: At the shift bid this year, the four Deputies covering Gold Bar will not be transferring. Deputy Doersch is on extended leave and we will have a temporarily assigned deputy to cover until he returns. Chief Casey WILL be transferring. I have been asked by Sheriff Fortney to take over our Office of Professional Accountability, often known as Internal Affairs. Lieutenant Martin and Captain Jeske will be conducting a test to identify my replacement. Serving as your Chief of Police has been, without a doubt, the most rewarding experience of my 28 years in law enforcement. I will absolutely miss you all!
