1st Street Improvements Project
NO STREET PARKING
Monday 10/12 – Friday 10/16 7:00 a.m. – 5:00 p.m.

Dear Resident:

The purpose of this letter is to provide information regarding the completion of the 1st Street Improvements Project scheduled for the week of October 12th – 16th.

Asphalt Grinding is scheduled to begin Monday, October 12th - B & L Utility will begin the road preparation at 7:00 a.m. Monday October 12th, which will require NO STREET PARKING along 1st Street. Please have parked vehicles removed from the roadside by 7:00 a.m. Monday.

Weather permitting the asphalt grinding will be followed by asphalt pavement overlay and roadway traffic markings. In the event of low weather temperatures &/or rain, the overlay and permanent pavement markings may be delayed.

Traffic along the construction route will be assisted thru the construction work area by traffic flaggers utilizing alternating lanes of traffic.

If you have questions or concerns regarding construction, traffic control or project restoration, please contact Heather at (425) 754-3184 or email Heather@BLUtilityinc.com.

Thank you in advance for your patience and cooperation during construction!
