Notable Events of March 2021

- I have attached the new crime data report. It is broken out by the area beats of Gold Bar as well as the City of Gold Bar ORI. If the captions are blank that would indicate there was no crime reported for that caption. You will see the data is color coded making it easier for you to review and understand. Information that should be noted is:
 1. Traffic enforcement is up both in the area of and in the City of Gold Bar
 2. The map has the location of the incident with a color code along with a pin wheel defining the incident.
 3. Crime remains flat with no increases at this time.

- National Night Out is scheduled for Tuesday 8/3/21. I am in the process of arranging for various organizations to attend this event. I will be putting a preliminary budget request together for this event. I will present the budget at the May Council meeting where I will ask that Council to approve the budget.

- Significant Arrests
 1. Convicted felon in possession of a firearm
 2. Suspect with a warrant attempt to elude Police on a traffic stop. Suspect arrested for his warrant, attempt to elude and a firearms charge.
