-THIS APPLICATION MUST BE COMPLETED BEFORE ACCEPTANCE-

It is the responsibility of the permit holder to notify the Building Department and ensure that the required inspections are made. This permit may be revoked if the work is not in conformance with laws, rules and regulations of the City of Gold Bar. The duty to ensure conformance rests with the builder, developer and permit applicant, not the City. The approval of construction plans and satisfactory inspections do not guarantee that all provisions of applicable codes have been met. All plans submitted to the City become public record and are available for public inspection and copying. All contractors performing work authorized by this permit must be a registered as required by state law.
