### Highlights of the Gold Bar Police Department from this Month:

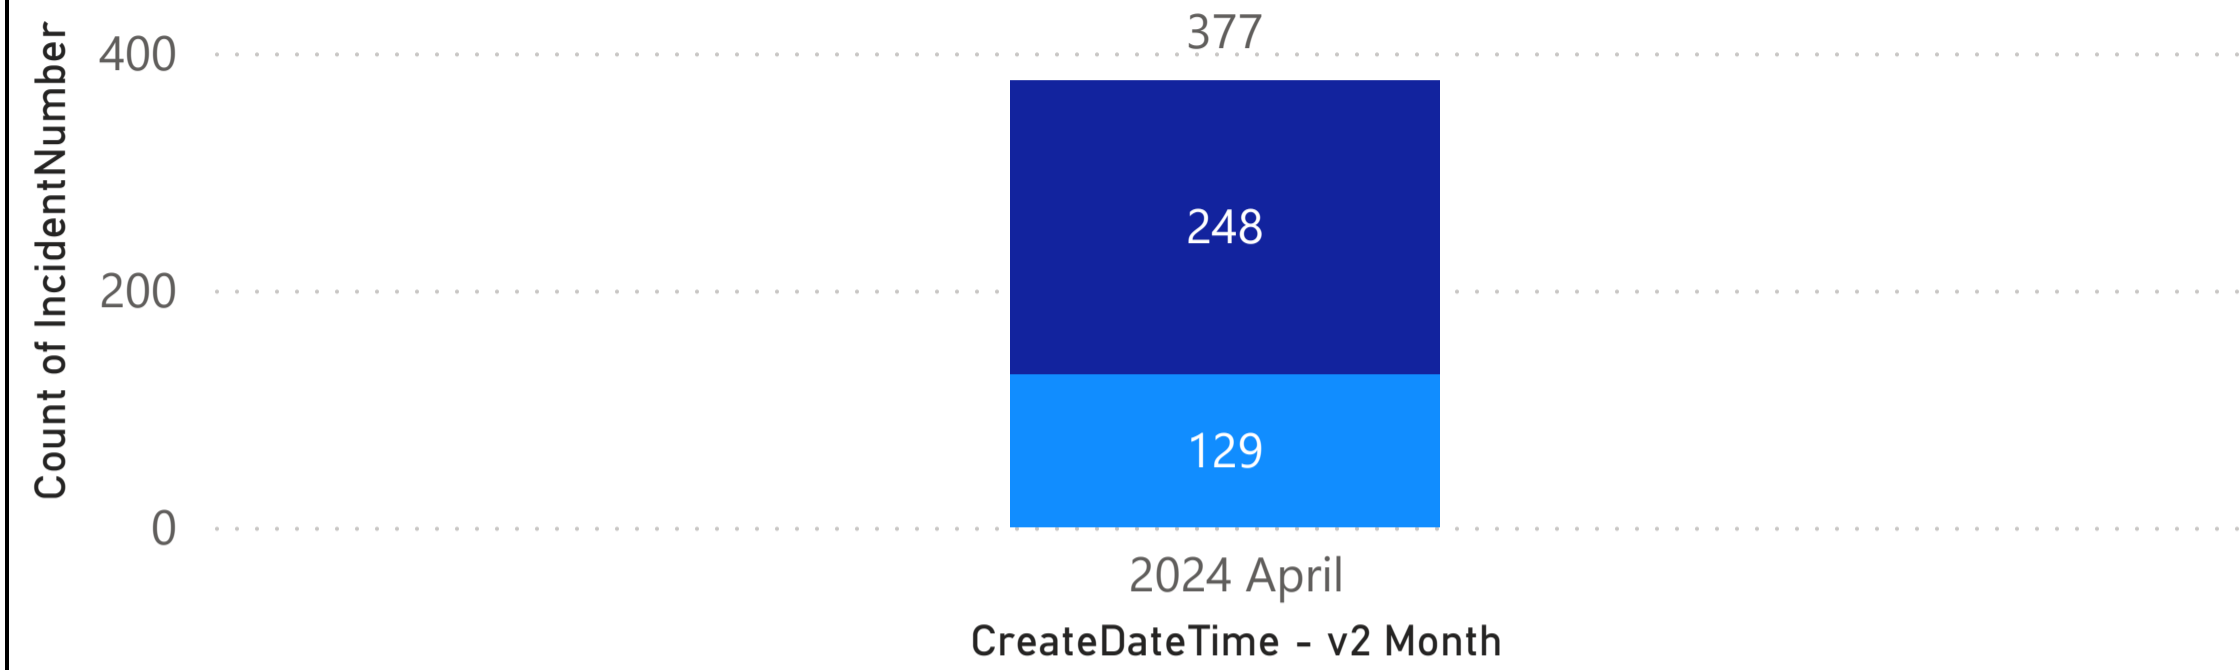

For the month of April, the Gold Bar Police Department continues to prioritize traffic enforcement and area emphasis patrols or high visibility patrols in our known nuisance areas to address quality of life issues. Additionally, the Snohomish County Sheriff's Office and Everett Police Department's motors units assisted our department in our traffic related safety efforts in the city this month.

This partnership resulted in 127 traffic stops being initiated within the city limits of Gold Bar and 2 DUI arrest being made this month. Unfortunately, this month we also saw a slight uptick in property crimes particularly with vehicle prowls in the City and Region. However, the department is monitoring where these prowls have occurred and are conducting extra patrols in these areas.
